Dr. S. R. Lasker Library

Gateway to Knowledge

INFORMATION LITERACY PROGRAM

Schedule: Tuesdays and Thursdays

3:00 PM - 4:00 PM

Venue: Block-B, Level-05,

Room #623 (Inside Library)

Introduction

The Dr. S. R. Lasker Library has been playing a pivotal role in supporting teaching and research, helping students achieve excellence in higher education since its inception. In today's information-rich society, Information Literacy—a combination of critical knowledge and skills—is key to navigating complex information resources.

Without guidance, finding the right information can be challenging and time-consuming. The Information Literacy Program aims to equip students with the skills needed to efficiently locate, evaluate, and use information for academic and personal growth.

Objectives of this program

- Understand the importance of information literacy in academic, work, and everyday life.
- Recognize the power of information and the role of libraries in the community.
- Learn to articulate and focus on your information needs.
- Understand the structure and formats of recorded information.
- Select and evaluate the best information-finding tools.
- Evaluate and analyze the content from various sources effectively.

Content Covered

- The Concept of Information Literacy
- Information Literacy skills for accessing, using, evaluating of information and its sources.
- Introduction to Library
- Library Rules and Guides
- Library Sections and Services
- Digital Library
